

Proposed BYLAW Changes – presented by Cindy Moore at 7/8/19 Board Meeting.

What follows is to define a member in good standing an

A. Member in Good Standing A member in good standing must comply with all the following conditions:

1. Maintain current USSF registration and be active as a referee, assignor, assessor, instructor, and mentor/coach or be a PCSRA Executive Board Member.
2. Conduct themselves in accordance with the USSF Referee Administrative Handbook.
3. Each calendar year, actively participate in a minimum of four (4) PCSRA endorsed or sponsored events. These may include PCSRA board meetings, PCSRA membership meetings, clinics, RDA, Pro Clinic, S2 Day, Instructor or Assessor or Mentor events, or any other event so designated by the PCSRA Executive Board.
4. Referees who Officiate High School are required to maintain WOA registration requirements. This would apply to any other organization that PCSRA may contract with that requires separate registration requirements.

NOTE: New members (or members who have transferred into the PCSRA area and transfer their USSF memberships to Washington State) are exempt from conditions 3 and 4 during the first calendar year of membership provided they strive to actively participate in PCSRA events.

B. Voting Members Only members in good standing may run for an office or vote for PCSRA officers and by-law amendments during the AGM. PCSRA wants members to demonstrate an active interest in PCSRA and not merely a desire to hold a board position and/or vote for a candidate based on membership knowledge rather than other considerations.
